Day 2: Masada & Dead Sea

You'll meet your tour guide and fellow travellers this morning and set off south from Tel Aviv, passing the cities of Ashkelon, Ashdod and Beersheba, the capital of the Negev Desert region. You'll then continue to Masada, the foremost archaeological park in Israel. Here we'll ascend to the top of the fortress by cable-car and have a comprehensive visit of the site, learn about the rituals, culture and politics of the people who lived in this desert fortress. This was the final stronghold of the Jewish Zealots during their war against the Romans, and we will visit the excavations, the synagogue, bathhouse and cisterns, Herod's palaces and enjoy fantastic views of the Roman camps and the Dead Sea, far below us.

Leaving Masada, we head down to the lowest place on earth - the Dead Sea - at 430 metres below sea level! Here we'll enjoy a swim, or float, in the salty waters and those inclined can also enjoy the benefits of the mineral rich black mud. We'll then head north up the Dead Sea road, with the hills of Jordan clearly visible to the East, passing by the Oasis of Ein Gedi and through the Judean Desert to Jerusalem.

We continue out of Jerusalem to visit Bethlehem, the birthplace of Jesus, and we will visit the Church of the Nativity and Manger Square before returning to Jerusalem.

We use good quality hotels rated at the Israel & Jordan 3-4-star level on this tour, Options are available to upgrade the accommodation if you would like a higher level of hotel. Please contact us for prices to match your dates. The normal hotels we use for these upgrades are shown below, though these may change to alternate hotels of a similar standard on some dates:

Comfort (4-star): Tel Aviv - Metropolitan / Grand Beach | Jerusalem - Grand Court / Ramada | Tiberias* - Lake House / Royal Plaza | Amman - Grand Palace | Petra - Petra Moon / Petra Canyon

* On some dates the tour may stay in Nazareth or Haifa instead of Tiberias

As different hotel levels are available, this does mean that if some people take up the upgrades there will be more than one hotel pick-up and drop-off each day, though we do aim to plan these to minimise any extra travelling time.

Accommodation is based on twin or double en-suite rooms with air conditioning. All couples will be given a private double room.

Please check the Single Room Supplement option for details on room sharing options and charges for solo travellers on this tour.

2. Transfers

This tour includes an arrival airport transfer from Ben Gurion airport in Tel Aviv to your hotel at anytime on Day 1 of the tour, and a transfer back from your hotel to the airport on Day 11. If you would like to add extra time in Israel and arrive before Day 1 of the tour or leave after Day 11, we can provide you with a quotation for your extra nights and airport transfer.

For legal reasons when crossing from Israel into Jordan, it's not possible for us to use the same vehicle so you'll be escorted to the immigration point on the Israel side of the border before taking a shuttle bus to the Jordanian side where our Jordanian team will greet you. Once in Jordan you'll have a Jordanian guide and driver who will continue with you for this part of the tour. You should budget approximately \$107.00 for border fees which are not included in the tour price. These fees will be paid locally, in cash, when crossing the border. We have many passengers each year crossing this border and our local team are very experienced - full assistance will be given at each side.

3. Border Crossings

This tour includes two crossings of the Israel/Jordan border. We ask for your patience when crossing borders, as this process can sometimes take more than an hour. Please be assured that our local team is working daily with the authorities and is doing whatever they can at all times to expedite this. We also suggest that you try to travel as light as possible, as the Israeli security is tight and it can take a while for them to search through and check large cases.

Crossing at Beit Shean (Sheikh Hussein) from Israel to Jordan.

Our border assistant will explain the procedure to you at the entrance to the terminal. First, you enter the terminal and visit the exit tax kiosk and pay your exit tax (100 ILS plus 5 ILS surcharge in USD, EUR or Israeli Shekels). Take your exit tax to the immigration counter and hand it over with your passport. After processing your passport you walk through the duty free and outside across the road there is a waiting area. Here you can wait till called to board your shuttle bus to the Jordan Terminal. Note: Our staff cannot accompany you during this process, so you should follow

the instructions of the assistant and border staff to ensure your crossing is smooth. You pay the shuttle bus fee of JOD 1.6 (approx. \$2.3 US or 10 NIS) on arrival at the Jordan terminal and then head to Jordanian immigration to arrange your Jordan visa and enter the country. Once on the Jordanian guide, your guide/assistant (sometimes the same person), will handle the taxes and if appropriate, visa payments.

IMPORTANT:

Jewish religious items/souvenirs are not allowed into Jordan through the border and are confiscated by Jordanian authorities.

This causes delays to the tour and may impact the amount of time spent at a site, or even cause the site to be missed from the program.

Please ensure that you do not take any of these items with you to Jordan, in order not to delay the tour.

Returning to Israel from Jordan.

Our assistant team on both sides can take you right up to the border fence and will explain to you the procedure throughout.

4. International Flights

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't include your international flights in the main tour price. We are however very happy to suggest flights to go with the tour. Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from.

Your airport arrival & departure transfers are included on the first and last days of the tour. All our group tours in Israel start and finish at Ben Gurion airport in Tel Aviv (TLV). Private and tailor-made tours may arrive into Tel Aviv or Eilat.

We do also sometimes advertise flight inclusive packages from selected airports. Where these are shown on our website, prices are correct at the time of quoting, but are subject to continued availability of the fare used. Prices will be reconfirmed at the time of booking, and we will also provide the flight times and airline details before tickets are issued.

Flight inclusive prices are based on the cheapest Economy ticket class available which is generally non-refundable and non-changeable unless the flight is cancelled for reasons such as Covid-19, in which case the airlines are more flexible. More flexible ticket options, as well as Premium Economy and Business Class tickets are available on request for an additional supplement. Any changes made to flight inclusive bookings will be subject to the airline rules on your ticket.

Flight CO2 Emissions:

Traveling by air is an amazing way to explore the world, but flights also contribute to carbon dioxide (CO2) emissions that impact the environment. By considering the airline's CO2 emissions when you choose your flight, you can help minimize your travel footprint.

When selecting your international flights and airline, we do therefore recommend that you try and also take into account the flight CO2 emissions. Some airlines and flight search websites (eg. Google Flights, Skyscanner) do publish this information, so you can compare between your flight options and make an informed decision. Thankfully, many airlines are working towards sustainability efforts, and choosing a greener option allows you to contribute to positive change while still enjoying your incredible adventure.

5. Group Size/Tour Leaders/Guides

On average the group departures on this tour tend to have a minimum of around 10 passengers and an average of 14-18, though we only need 2 passengers to book for a departure to be guaranteed. The maximum capacity of this

tour is 45 which is why we class it as a Shoestring level tour. To ensure affordability in what is a very expensive country to arrange tours like this, we share this tour with a small number of other operators so you may join with travellers booking with different companies.

At Encounters Travel we aim to only ever use local Israeli and Jordanian guides and reps. We feel this gives you the best experience of the country and the sites you are seeing. A different guide may be used for the Occupied Palestinian Territory sites to the rest of the tour in Israel.

When crossing to Jordan you will be dropped by your guide at the entry to the Israel/Jordan border crossing and met on the Jordanian side by a guide who will accompany you for the Jordanian section of the tour. On your return to Israel you will again pass through the border independently before being met on the Israeli side. Please check the Border Crossings note for information on border crossing fees.

6. Tipping

Tipping is common practice in Israel, as a sign of appreciation for services provided. You may therefore wish to tip your guide and driver at the end of the tour. You should not feel obliged to tip any particular amount, and should consider your personal budget. We are often asked to provide a guide however, and can suggest that approx. GBP 5 / USD 8 per person per day would be appropriate.

7. Passports and Visas - Jordan

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

To promote tourism to the country, the Jordanian government has designed the **Jordan Pass**. This provides adults of most nationalities with a free single entry Jordan visa (for stays of 3 nights or more), a discounted package of entrance fees, and free digital brochures for the various sites in Jordan. Please check the Jordan Pass tour note for more information.

Double or multi entry visas for Jordan are no longer available and you will need to arrange two visas if you are doing a combination tour (eg. with Egypt and/or Israel) that visits Jordan more than once. Exceptions may occur if you are crossing to and from Israel via the King Hussein Bridge - please contact us for details.

If you wish to arrange your visa separately in advance, or if your stay will be shorter than four days/3 nights, then a visa fee of 40JD (approx. USD 57) will be due.

Families with children under 12 are recommended not to purchase the Jordan Pass for the children as entrance fees are not charged in Jordan for children under 12. Instead, the adults should purchase a Jordan Pass and we will arrange a free visa for the children which you will receive when we meet you on arrival into Amman airport.

Other nationalities may require a visa prior to arrival and to obtain this in advance, please contact your local Jordanian embassy or consulate or a visa agency for details. In addition, if you plan to enter Jordan via the southern Wadi Araba crossing (Eilat-Aqaba) or the Allenby Bridge/King Hussein border with Israel in the north, you will need to obtain your Jordan visa in advance as these are not available on arrival at the border.

8. Passports & Visas - Israel & OPT

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

From 1st August 2024, all passengers travelling to Israel must arrive with a pre-arranged visa or ETA-IL approval.

Many nationalities (including UK, European, USA, Canadian, Australian, New Zealand, South African) do not need to obtain a visa to enter Israel as a period as long as your stay is for less than 3 months, though an ETA-IL approval is required, even for passengers who are visa exempt. Other nationalities should check with their local consulate.

All passengers should apply for an ETA-IL approval online at - <https://israel-entry.piba.gov.il/visa-option/> a fee of 25 shekels (around GBP 5, USD 7) will be required during the application process.

Most of our tours visiting Israel also enter the Occupied Palestinian Territories (OPT). No special visas are required but check points and border posts are operated by the Israeli authorities and access is sometimes limited or restricted.

9. Money - Israel

The local currency in Israel and the Occupied Palestinian Territories is the Israeli Shekel (ILS). You do not need to arrange to bring any Shekels with you as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Israel and the OPT you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs and personal expenses such as laundry. These should generally all be paid for in local currency, though tips for guides and drivers may be paid in hard currency (GBP, USD, EUR).

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 25-35 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

10. Money - Jordan

The local currency in Jordan is the Jordanian Dinar (JD). You do not need to arrange to bring any Jordanian Dinar with you to Jordan as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. 11. What to take

Luggage: Suitcases, rucksacks or fabric holdalls are all fine to bring with you to Israel and Jordan. You should also bring a small daypack/bag to take out during the day. Your main luggage will normally be left in the hotel during your sightseeing trips – you will not need to carry it far, and there are nearly always hotel porters to assist.

Luggage limits: There is no luggage limit for this tour. However, most airlines restrict you to between 20kg and 25kg for your hold luggage and between 5kg and 10kg for hand luggage. Please check with your airline before travelling to the airport.

Clothing: The climate in Israel and Jordan varies widely from hot days in the summer to cool and sometimes wet days in the winter months. At night, especially in the deserts, the temperatures can drop quite dramatically. So you must pack for cool conditions. Formal dress (eg. suits & ties) is not required. Modesty rates highly in Jordan (and parts of Israel), especially for women, so to respect the local culture & people, please ensure all clothes are loose fitting and not revealing. Shorts (not hot-pants) are OK in tourist sites, as are T-shirts, but these should not show too much bare flesh (we suggest that your shoulders should remain covered). When visiting any mosques, legs and arms should be covered.

Other items: At the Bedouin camp bedding is provided but we recommend bringing a light sleeping sheet or sleeping bag liner for comfort all year round (even with the best efforts, sand does find its way pretty much everywhere). In the winter months, or if you think you would like to sleep under the stars instead of in your tent, then we recommend you bring a sleeping bag with you as it can get very cold at night. We also recommend you bring a sun hat, sunscreen, sunglasses, a basic first aid kit, toiletries, money belt, small torch, camera & charger.

12. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You may make a deposit or full payment online, or just hold a reservation if you prefer (full payments are due 8 weeks before departure). We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer, or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

13. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance (including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

Note - to comply with insurance sales regulations, our travel insurance policies are only available to customers

booking directly with us. If you have booked through a travel agent you will need to arrange your own insurance.

If your tour includes car hire, or if you plan to arrange a hot air balloon flight locally or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

If you are taking expensive camera gear or other electronic equipment with you then please check the coverage and the fine print of your policy to ensure that you have sufficient cover.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

Covid-19

Before purchasing any travel insurance, please check the coverage provided for situations related to Covid-19, and for the rules about government travel advice. Your normal policy may not be suitable. Details about our own policies cover levels are given [on our website](#).

14. Financial Security

We are a UK registered company and are committed to providing our customers with financial protection to provide peace of mind and to allow you to book with confidence.

15. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams,

shampoos and detergents you can help reduce pollution.

- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).
- If a client commits an illegal act the client may be excluded from the tour and Encounters Travel shall cease to have responsibility to/for them. No refund will be given for any unused services.

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

17. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's '[Travel Aware](#)' campaign which provides further useful and invaluable information.

18. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

Egypt: Tetanus, Typhoid, Hepatitis A

Jordan: Tetanus, Hepatitis A

Israel: Hepatitis A, Poliomyelitis

Lebanon: Diptheria, Hepatitis A

Malaria is not generally present unless it has been contracted abroad; you do not need to take malaria prophylactics.

More information is available here: [Egypt](#), [Jordan](#), [Israel](#), [Lebanon](#)

Note: We are aware of some places in Egypt using 'black henna' instead of pure brown henna. Black henna contains a chemical dye PPD (paraphenylenediamine) which can result in severe allergic reactions and resultant scarring. To be safe we recommend avoiding any henna tattoos while in Egypt unless you are certain they are using pure brown henna.

19. Time

The time in Egypt, Jordan, Israel and Lebanon is GMT plus 2 hours and in UAE GMT plus 3 hours. Daylight saving adjustments have historically been applied in some years but not others. At present it appears that there will be no daylight saving changes in Egypt 2016 and beyond, though this may change at short notice (with a resulting impact on flight times and schedules). In Jordan and Israel, daylight saving of one hour is generally applied between the end of March and the end of October, making it GMT plus 3 hours. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

20. Voltage

Sockets are two round pronged and 220 volts (Type C). Universal adaptors are available in most airport shops if you don't have one already. Standard European adapters will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.
